I was elected as a Liberal Councillor in 2016, but I am standing at this election as an Independent because I believe you deserve representation with integrity.

[/vc_column_text][vc_column_text text_color="color-997225? uncode_shortcode_id="207866? text_color_type="uncode-palette"]None of your Councillors have sought to engage with you as directly as I have. I have explained every position I've taken over the last five years on my website, and exposed Council's failings through many videos, newsletters, on TV and on radio. If the other Councillors can't point to a record like this, what have they been doing for the last five years? How can you be confident of what they stand for? How they voted on the important issues?

I'm a life-long resident of the Hawkesbury. A teacher by training, I've taught at most local high schools, and as an ethics teacher in local primary schools. I promise to continue striving to preserve what makes our city so great to live in, while making the Hawkesbury an innovative, prosperous and economically sustainable city. If you tend to support one of the major parties at State or Federal elections, I challenge you to consider your vote for Council. You're electing twelve Councilors, vote for strong local independents first.

I need your support through your vote to continue this work.

has a poor record in many areas. Customer interactions are slow. Planning laws are inconsistent.
Goalposts on DA's get moved. Processing times are unacceptable. Rates go up, but you see less for it
in roads, parks and infrastructure.

A vote for our team is a vote for real action to address these issues.

I now live at Grose Vale with my wife and two kids.

I've been a high school Art teacher for the past 20 years.

Growing up here I've noticed a change in Hawkesbury Council. It has not been for the better. It never used to be about party politics – it used to be about the people, and strong community groups, and about understanding what makes the Hawkesbury such a special place.

The Hawkesbury desperately needs independent voices that can improve our area without destroying what makes it great. I believe we can do better in local government- it's time for a change.

My background is in Education and Social Services and I have worked throughout Asia and Europe in various roles.

I am constantly striving to expand my understanding of the world we live in and how I can apply this knowledge to the betterment of my community.

I believe Hawkesbury constituents deserve a Council that delivers world class service and infrastructure on budget and with no rate surprises! I also believe that the Hawkesbury is the best place in the world to raise a family. I'm passionate about family, tradition, our history, life-long learning, and our wondrous landscapes. I love touring our Macquarie towns landmarks by river and on 2 wheels, the latter especially favouring our legendary bitumen gems, The Putty and The Bells Line. We promise responsive, accountable government.

Sick of delayed DA assessments? Slow responses? Inconsistent application of rules? Too many fees and charges for simple things?

We believe Council has a poor reputation for customer service, especially compared to neighbouring Councils. We stand for reform to Council's culture, and modernising a focus on the basics of roads, parks, and basic infrastructure.
