4. Consideration be given in the ongoing negotiations to:

  - b. Places no constraint on the examination of an alternative route passing through adjacent properties.
  - c. Determines the number of properties requiring partial acquisition if an alignment passing just to the east of the dwelling at 1 Ashtons Road were constructed.
  - d. Determines the relative costs of property acquisition and compensation to land and home owners under both proposed and alternative alignments.
5. That the matter be further reported to Council.
